Everyone tells you to stop and smell the roses, but never to appreciate their fine details. Fine details of flowers—petals, tendrils, stems, leaves—dovetail in striking images to highlight the perfection and grace hiding in plain sight in the garden. Appreciate the fine intricacies of nature all year, and stop to see the roses.

BrownTrout is committed to sustainability. Our wall calendars are printed on Forestry Stewardship Council (FSC) certified paper from managed forests and are printed with soy- and vegetable-based inks, which are less harmful to the environment than petroleum-based alternatives.
