## The Art of Mindful Living

Brush Dance has been beautifully curating wall calendars and planners centered on mindfulness, intentional living, beauty, and joy for over 30 years. We combine the works of independent artists and photographers with the wise words of teachers, poets, and writers as we strive to inspire hope, celebrate life, and proclaim mindful living.

Brush Dance brings what matters most, with popular titles like *Mindful Living, A Fearless Woman,* and *Live with Intention,* as well as wise words from Thich Nhat Hanh, Rumi, and Buddha. Nature still inspires with *Seaside Solitude, Japanese Gardens,* and *Jewel of the Lotus* wall calendars, and planning mindful days is an easier process with our beloved planners.

At Brush Dance, we continue to seek the art of mindful living every day of the year. Join us.
